SUBJECT: State Nursing Assumption Program of Loans for Education for Nurses in State Facilities (SNAPLE NSF) Second 15-Day Proposed Regulation Public Comment Period

This Special Alert is to announce that the California Student Aid Commission has begun a **second** 15-day public comment period to review and respond to the SNAPLE NSF proposed regulations.

Government Code Section 11346.8(c) and section 44 of Title 1 of the California Code of Regulations provides that changes in proposed regulations which are sufficiently related to the initially advertised text must be made available to the public for review and comment 15 days prior to the adoption of the regulations.

In response to comments during the 45-day public comment period, staff reviewed and revised the original proposed text. All revisions and additions to the originally proposed text were identified by **strikeout** of text to be deleted and **underlining** of text to be added. The **first** 15-day Public Comment Period began on March 14, 2007. Comments on those changes can be made until 5 p.m. on March 29, 2007.

Further revisions to the proposed text were made by Commission staff after the start of the first 15-day Public Comment Period resulting in a second concurrent 15-Day Public Comment Period.

All revisions and additions made to the proposed text in the **second** 15-day Public Comment Period are identified by **bolded double strikeout** of text to be deleted and **bolded double underlining** of text to be added. Only comments addressing modifications in the proposed text that appear in bolded double strikeout or bolded double underlining format may be made during the second 15-day Public Comment Period. These comments will be accepted until April 4, 2007 at 5 p.m.

This **second** 15-day Public Comment Period for the modification of Proposed Regulations begins on March 20, 2007 and ends at 5:00 p.m. on April 4, 2007. The proposed text included in the **second** 15-day Public Comment Period is the most current proposal.
